
Neustar Named One of the Top Workplaces by The Washington Post

Jun 25, 2014

STERLING, Va.-- Neustar, Inc. (NYSE: NSR), a trusted neutral provider of real-time information and analytics, today announced that the Washington Post has named it one of the [2014 Top Workplaces](#). Determined solely by employee feedback, the Top Workplaces survey was conducted by WorkplaceDynamics, LLP, a leading research firm on organizational health and employee engagement.

“The Washington Post’s 2014 Top Workplaces award is a particularly meaningful honor as it’s based exclusively on employee sentiment,” said Lisa Hook, President and CEO of Neustar. “I want to thank our employees not only for sharing their voice but also for the outstanding contributions they make each and every day in driving Neustar’s success. We are committed to making Neustar a place where people want to work and where they are empowered to do the best work of their lives.”

Neustar demonstrates its commitment to employees with a comprehensive total rewards strategy, interesting and challenging work, a dynamic work environment, as well as a variety of employee programs, including:

- **Continuous Learning and Development.** Neustar believes that continuing education for employees is a key tenet to performance, excellence, innovation and growth.
- **Workplace Energy and Collaboration.** With a corporate culture that values innovative, client-focused solutions, Neustar celebrates the successes and recognizes the passions of its employees. Neustar’s offices are abuzz with bright, energetic minds working on the next big thing, all learning and creating together, and having fun along the way.
- **Wellness.** Neustar recognizes the importance of total well-being and offers a wide variety of health-conscious activities and initiatives throughout the year.
- **Community.** Neustar understands the importance of [Corporate Social Responsibility \(CSR\)](#) and strives to invest its resources and efforts in innovative programs that benefit society, its community and the company. Neustar’s commitment to being a responsible corporate citizen includes a focus on employee involvement, environmental stewardship, STEM education support, employee and human rights, neutrality, privacy, and—above all—ethical corporate behavior.
