Award Underscores Outstanding and Reliable Service to Customer Contact Industry

Sterling, VA - Neustar, Inc. (NYSE: NSR), a trusted, neutral provider of real-time information services and analytics, celebrates its recent “Vendor of Excellence” award issued by the Professional Association of Customer Engagement (PACE).

The award, which according to the PACE website “recognizes a corporate commitment to serving the needs of and promoting the customer engagement industry,” highlights Neustar’s valuable resources to help businesses comply with the Telephone Consumer Protection Act (TCPA).

“This association and its members rely on us for a service that is key for them to do business and comply with telemarketing regulations,” said Andrew Stickel, director of product management for numbering services at Neustar. “Neustar helps these businesses avoid costly fines and allows them to conduct business in a way that is effective and efficient.”

Neustar provides TCPA resources to companies in the banking, entertainment, hospitality, financial, travel, insurance, software, retail, health and consumer marketing industries. For more on how Neustar helps businesses avoid costly TCPA fines, click [here](#).
