

Peerless Network Selects NeuStar as Preferred Vendor for Number Porting Services

Jan 6, 2009

NeuStar announces that Peerless Network LLC, a provider of services that simplify

interconnecting voice and data traffic across disparate networks, has chosen to outsource its

number porting activities to NeuStar. Under the agreement, NeuStar will perform the ordering,

activation, and error handling services on behalf of Peerless Network for wholesale customers

that opt into the service.
