

NeuStar Launches First "Presence-Enabled Communications Contacts List" Service

Feb 16, 2009

NeuStar announces that it has worked with Telecom Italia to launch TIM I'M, a new service that

enables Telecom Italia's 35.3 million customers to communicate in more innovative and

efficient ways through a presence-enabled communications contact list. NeuStar delivers mobile

IM services to all major operators in Italy: Vodafone Italy, 3 Italy, WIND and Telecom Italia.
